Gentext/Remarks/1. Purpose. The purpose of this message is to announce the Marine Corps 2020 Human Performance Advisory Council (HPAC) hosted by Training and Education Command (TECOM) to be held 15-16 September 2020. The HPAC will be conducted as a two-day virtual interaction with representation from across the Marine Corps. A solicitation of topics, (Ref B) resulted in recommendations pertaining to physical fitness, sports medicine and injury prevention, resiliency, nutrition, and the integration of technology were addressed.

2. Commands are requested to identify one individual that will represent their organization by 31 August 2020. Members must be empowered and prepared to make recommendations and changes on behalf of their commands. Please send the name, rank, contact information and command they will be represent to the Organizational Mailbox and Points of Contact listed. Additional attendees approved through your commands may be present during plenary sessions in order to reach the

widest audience possible.
